# Orga

**Orga** is a managed service built to simplify the organization of scientific events.

## Name

The name is derived from the English word organize. We pick the first four letters (**Orga**) to make it short and simple.

Space is where you have the freedom to move and think.

## Motto

"Organize your space..."

## Logo

The logo is a combination of space shuttle shape, letter "O" and trailing lines. All put together in an elegant and modern design.

## Organize

*/ˈɔrgəˌnaɪz/*

**[transitive]** organize something to arrange for something to happen or to be provided.

---

Oxford English Dictionary, 2023:online

## Space

*/speɪs/*

**[transitive]** the area outside the earth's atmosphere where all the other planets and stars are.

**[transitive]** the freedom and the time to think or do what you want to.

**[transitive]** the whole area in which all things exist and move.

---

Oxford English Dictionary, 2023:online

This identity represents our core values as a group of professional enthusiast, who want to make an impact.

# Digital Publishing

Orga engages with major firms to publish and develop publications with a high impact, a broad reach, and a solid financial return.

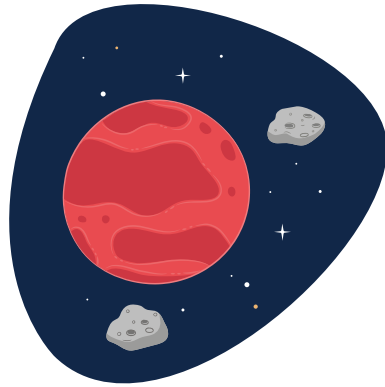

Following are examples on digital publishing:

- Conference Proceedings.
- Abstract Books.
- Posters.
- Banners.

# Membership Management

**Assisting you in  
managing and  
growing your  
membership**

Efficient processing of membership applications and renewals  
- making it simple to join your group.

Database management and reporting enable you to make  
informed decisions and communicate effectively.

Members' area and directory online - allowing information  
exchange, networking, and increased member value.

Membership research, planning, and growth - assisting you in  
better understanding your membership and growing and  
developing your organization.

Management of affiliate membership schemes enables  
cooperation and participation beyond your own members.

# Society Management

**Assisting your  
organization in  
meeting its  
strategic  
objectives**

A personalized approach to board and committee management - assisting your organization in focusing on priorities, developing strategies, and meeting objectives.

Project management of your activities and programs (grants, prizes, fellowships, training, guidelines, networks, seminars, and more) - boosting research, supporting careers, and assuring best practice.

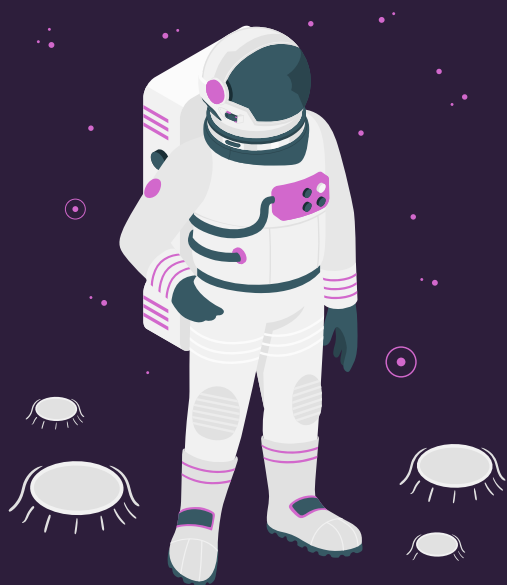

Management of annual general meetings and award ceremonies - guaranteeing smooth-running events with informed audiences, regardless of format.

Professional financial assistance is available, allowing for precise financial reporting, planning, and decision making.

This is your spcae ...

From managing your committees and projects to providing your administrative office and membership services, we will be a trusted, consistent, and integral extension of your organization, assisting you to create your community and achieve your goals.

Orga is at the forefront of utilizing modern technologies to enable people to reduce their carbon footprint. With a strong focus on environmental sustainability, Orga uses transparent, secure, and effective modern technologies to provide a cutting-edge platform for positive change.

Join Orga on their mission to create a more sustainable future. We can provide tools to reduce carbon footprints by utilizing modern technologies. We can work together to build a more sustainable planet for future generations.

Help to Make the World a Better Place to Live
